

Model 8078 Series Colored Hose Reels

Now available in black, blue,
white and Alemite maroon

Alemite's 8078 Series Heavy-Duty Hose Reels are now available in four colors. These reels set the industry standard for reliability in tough working environments. Engineered for optimum performance and safety, Alemite's Heavy-Duty Hose Reels are suitable for a wide range of demanding applications.

8078 Series features include:

- Superior performance – Swivel and reel ball bearings reduce torque load on power spring for smooth retraction
- Anti-lockout design – Ratchet prevents lockup when hose is fully extended, eliminating the need for manual release of the pawl
- Sealed bearings prevent contamination and minimize maintenance
- Easy installation and maintenance – Factory-lubricated, one-piece power spring cassette for safety and simplicity
- Durable – heavy metal arbor design withstands extreme stress
- Adjustable – Five-position guide arm allows hose to release at optimum position
- Versatile – Narrow design allows for efficient use of space
- Versions available for oil, air/water and grease
